7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The College distinguishes itself from other institutions by offering an affordable, student centered education to diverse students.

The need was felt that the college being a legal education institution needs to combine modern system's knowledge with due respect to traditional values given the nobility of the profession and this realization has led us to stress on traditional values and discipline.

Given the importance of legal field the college stresses much on the value and dignity associated with this profession so that they realize and take their civic responsibility seriously.

The College aims to build committed legal professionals who are competent to manage legal and social issues to attain and promote justice.

The college renders a perfect environment to build the students career and life by learning, both inside and outside of the campus and endeavors to help them become outstanding legal professionals and leaders who serve the profession and society.

We ensure accessibility to the legal education to people without any disparity and aim to bridge the gap whether urban or rural by creating a welcoming and hospitable atmosphere at all levels of their education. Various programs apart from university prescribed syllabus is part of their curriculum to prepare the students to reason logically with clarity and master in communication skill as enshrined in our Vision

The students are also given access to many opportunities to participate and experience through flexible and innovative programs. The IQAC ensures that the methods and approaches towards subject and students are updated from time to time.

Some humble steps towards our journey to the vision and mission are:-

- To awaken their drive of legal knowledge and realization that it is a lifelong learning process. Developing professional perspective through various academic activities.
- Engaging with community and the academia at all levels of our work, including teaching and social service.
- Inculcating Professional Ethics and morality through the subject and stressing on its application right from beginning of their course period.
- ICT equipped classes and ICT usage by teachers to enable teaching as contemporary as possible
- Moot Court, Regular court visits, ADR case observation, chamber visits and viva are integrated with curriculum as part of the clinical Course papers.
- Internship under Judges, Advocates and law firms during Semester breaks for B.A.LLB and LL.B students to provide practical exposure of the legal arena.
- Sports activities both intra and inter to enable overall development
