## 2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

In order to face the competitive world, students must acquire and master the most up-to-date technology today. As a result, teachers are merging technology with traditional teaching methods to keep students engaged in long-term learning. In order to support, enhance, and optimize the delivery of education, our institution uses information and communication technology (ICT) in education.

The Institute employs the following ICT tools:

- Desktops - English Computer Lab, Digital Lab and Staff rooms are equipped with desktops.
- Smart Classroom – Our classrooms are equipped with smart board facility.
- Projectors – All classrooms, English Language Lab, Auditorium, Conference room, Training cum Seminar Hall and Examination Halls are equipped with projectors.
- Power Point Presentation – Faculties are encouraged to use power point presentation during teaching and they are also encouraged to use digital library and search engine to make effective presentations.
- Printers and Copier Machine – They are installed in the Main Administrative office; Principal room Chief Administrative officer room and all the staff's room are connected through LAN by which they can take printout from main administrative office.
- Auditorium- It is digitally equipped with mike, projector, cameras and computer system.
- Server Room – College is also equipped with an air-conditioned Server Room devoted for continuous and uninterrupted operation of computer servers.
- The college has enabled Wi-Fi facilities with adequate range and speed. Subscription of WIFI @ speed 200mbps is taken on annual basis
- Online Classes and other events are conducted through Zoom platform.
- Video lecture- Recording of video lectures is made available to students for long term learning and future referencing in the college website in an order as per their university curriculum. The subject video is segregated as per syllabus per semester of their respective course for easy reference. Students have easy access to it on entering their respective Login ID and Password.

Digital Library resources – Our Library is equipped with AUTOLIB Software and Manupatra.
