## 6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The College follows democratic method of governance by practicing decentralization and participative management approach in all its activities, initiatives and decision making which always involves Management, Governing council, Principal, teaching, administrative staff members as well as students.

### **Vision:**

- To build this institution in size and strength, with the ultimate goal of achieving the status of a university attracting global recognition and acclamation for excellence and projects of research.
- To provide legal education to young aspirants, in line with our Mission. To prepare the students to reason logically with clarity and master oral and written communication skills.
- To provide continuing legal education to our old students to improve their competence and conduct themselves with loyalty to their profession without compromising quality under any circumstances.

### **Mission:**

- To provide liberal education in its traditional form.
- To equip the students of our college with knowledge and experience and encourage them to take up the legal profession with dignity.
- To instill confidence in the students to ensure fair play of equity and justice.
- To create enlightened and cultured citizens with awareness of their civic responsibilities and commitment to society.
- To serve on the judiciary with intellect and without fear or favour and leave an imprint of integrity and honesty.
